

Dr. A. R. GOPAL AYENGAR YOUNG SCIENTIST AWARD – 2025

Call for Nominations

Indian Association of Radiation Protection (IARP) has instituted Dr. A.R. Gopal Ayengar Young Scientist Award (ARGAYSA) to honor meritorious young scientists below the age of 40 years as on January 1, 2025. The award will be conferred to the young scientist for outstanding research work in the field of Radio- Biology, Bio-Physics and Environmental Biology. The work should have been carried out in India during preceding five years and publish in scientific journals of international repute. The nominations may please be sent to the undersigned by Head of the Institution / Head of the Department / Immediate Superior.

The nominations should have the following details:

- 1) A brief of the nominee including the nominee's full name, date of birth, academic and professional qualifications and address for communication (including telephone, fax number and E-mail ID).
- 2) Short write-up (not exceeding 300 words) highlighting major contributions of the nominee.
- 3) Curriculum-vitae of the nominee.
- 4) List of relevant publications.
- 5) A certificate from the Head of the Institution or Laboratory where the research work was carried out by the nominee.
- 6) Name and address of at least two referees (not related to the nominee).
- 7) Name, designation, address and signature of the nominating person.

The nominations may please be sent to the following address on or before December 20, 2024 to the following address:

Dr. P A Hassan
Convener, Selection Committee,
Associate Director, Bio-Sciences Group,
Bhabha Atomic Research Centre,
Mumbai 400085.
Email: hassan@barc.gov.in

Award will be presented to selected nominee during the forthcoming 35th IARP National Conference, to be held during January 29-31, 2025 at Mangalore University.
